If a customer requests that we stop the fulfillment of their cards after the order has been placed and in the printing process (meaning no longer able to cancel in the Card History); for the reason of a mistake or multiple mistakes, made by the consumer (user error); SendOutCards will work with the customer in an attempt to stop the order before being mailed. If the order can be stopped, then a fee for this service will be collected to cover the expense of resources and initiate this process. This is due to the fact that the cards have already been printed.

The fee to stop the order is \$20 to initiate the process and then an additional \$.50 per card recycling fee for any cards that are not mailed out. If the cards cannot be stopped due to them being mailed out, none of the above mentioned fee will be charged.

Please remember, we can only issue refunds for cards that have not been mailed. Therefore, the customer must contact SendOutCards Customer Support as early as possible the day the order is being printed for us to be able to attempt to cancel any order of cards.

Promptings Fair Use Policy

This section covers the details of the Fair Use Policy for former Unlimited and Daily Heartfelt packages, also any program that allows larger numbers or unlimited Heartfelt Prompting card sending subscriptions. This section may also apply to any of the services offered by Promptings' streams.

In the details below, the intended purpose of this program is clearly defined. In short, this purpose is for a single user to send an original Heartfelt Prompting card. Additionally, below are parameters set forth by The Company to ensure policy abuse does not ensue.

- **Single Card Send** – Individual card containing unique personalized messaging (no copy and pasting the same message and/or card repeatedly), sent to one single recipient, one time with an immediate send date.
- **Single User Account** – All Promptings accounts are intended to be used by one individual or entity.
- **Return Address** - Return address information on the account may not be changed for the intended purpose stated. This includes the first and last name or business name with the corresponding address.
- **Subscriptions** – Subscriptions that offer free unlimited Heartfelt Prompting card sends (see details below). The term of the subscriptions begins on the date of purchase, continuing until the end of the day prior to the anniversary month.

If you fail to comply with this policy, we reserve the right to cancel your subscription.

Promptings ("Promptings" or "The Company") has available in some streams a subscription that includes larger quantities and formerly unlimited Heartfelt Prompting card sends. These free and former unlimited Heartfelt Prompting card sends are offered during the term of the Subscriptions. The term is the month beginning on the date of purchase of the Subscriptions, continuing until the end of the day prior to the anniversary month of the Subscriptions. The Subscriptions are automatically renewed from month to month until canceled by the subscribing individual. The Subscriptions are also terminated if the subscribing individual's payment method is denied or The Company terminates the Subscriptions for cause. The cause of termination by The Company may be due to abuse of this policy or other causes as may be stipulated by The Company on the web site.

Free Heartfelt Prompting card sends that are included in the Subscriptions are defined as a single individual card that contains unique personalized messaging (no copy and pasting the same message and/or card repeatedly), sent to one single recipient one time with an immediate send date. The card cannot be scheduled for a future date to be sent. The card can be created from designated catalog cards and from designated favorite cards in the users Favorites category. The free Heartfelt Prompting card sends do not include cards that have previously been saved to be sent again or any card that is a part of a campaign, group or system send. The free Heartfelt Prompting card sends do not include cards intended to advertise, sell or promote the sale of any product or service. If a card contains a unique, heartfelt message it can contain up to 20 percent content that is business related. For clarity as long as 80 percent, or more, of the message is heartfelt, then up to 20 percent can be business related. The Company may designate any card as not eligible for a free card send at The Company's discretion.

All Promptings accounts are intended to be used by one individual or entity. Accounts are to be used by one individual for their own card sending and may be used to send cards for their immediate family members. This includes a spouse and any children living in the same household. This does not include extended family members or visiting family members that live in household or are visiting the household. If the account was created for business use then cards may be sent for the business and under the name of the business or the

individual that purchased the account and Subscriptions. The account may not be used by multiple employees of a business. Each employee of the business would be required to have their own account if they intend to send cards from that employee of that business. Return address information on the account may not be changed for the intended purpose stated. This includes the first and last name or business name with the corresponding address. Subscriptions are not to be shared amongst multiple individuals. Cards sent by another individual or company that has been contracted or paid to send the cards in place of the account holder are not permitted. All Heartfelt Prompting cards must be sent by the account holder and not a third party.

The Promptings system is intended to be accessed through The Company's web site or official iOS/ Android app and not as part of a third party's program or system that has been created to access the systems abilities in any manner not directly programmed or intended by The Company. This includes any system created using macros, scrapping or other technologies developed to bypass the designed web site. Also included in this is the use of copy and paste to send the same message and/or card repeatedly, and attempts to bypass the campaign or group send features. Third parties may contract access to The Company's system through API as long as it enters into an agreement with The Company prior to use of the system. This does not apply to apps that are programmed and released for use by The Company to individual users. Additionally, this does not apply to third party apps that are used to create custom card images that are uploaded into a valid Promptings account.

Individual accounts are intended to be used on only one system at a time. Accounts may be accessed using any computer system, mobile device or app. However, only one access at a time by any one device is allowed. There may not be simultaneous connections made or multiple simultaneous sessions at any time. A user is expected to log out of one system before logging in on another system.

Promptings reserves the right to monitor and control throughput of free Heartfelt Prompting cards within the system and discontinue or limit allowing users to send cards based on usage and velocity of usage of the system. Promptings may apply a daily card limit on free Heartfelt Prompting card use. If a user exceeds this amount free Heartfelt Prompting card sending will be discontinued, the user may continue to send cards by paying for each individual card at the rate for the subscription that they are on. Free card sending will be allowed to resume the following billing cycle. If excessive abuse of free cards sending is determined by Promptings, The Company may cancel the subscription of the user and may also opt to terminate the account of the user. If that user is a Gratitude Consultant, The Company may choose to terminate the Gratitude Consultant Agreement with that user at the same time.

Promptings will contact any Customer violating the Fair Use Policy by email. The first contact will contain a warning of the violation and offer to educate the Customer. The held cards will be released and mailed as long as they do not exceed a postage limit or violate any other part of the Fair Use Policy. If the sending of the cards would exceed the postage limit the Customer may be offered to have the cards sent as long as they pay the postage for the excessive number of cards. On the second occurrence of a Fair Use Policy violation, all cards may be canceled and the Customer will receive an email explaining their continued violation of the policy. If possible, the Customer may be offered the opportunity to have their cards sent if they choose to pay any required postage or card costs. If a third occurrence takes place the Customer will be notified by email. All the cards will be canceled, the subscription will be canceled, and the Customer's account will be locked out. The Customer may request to have their account reinstated if they agree to follow the Fair Use Policy. If a fourth occurrence takes place, all the penalties of the third occurrence will be implemented and the Customer may have their account canceled or may be allowed to continue without being allowed to have a large Free Card Subscription Plan.

Promptings reserves the right to cancel Subscriptions, terminate accounts, and prevent the user from creating any new accounts or Subscriptions if they violate this policy. This applies to any customer or Gratitude Consultant with a Gratitude Consultant application agreement with The Company. Any user that violates this policy and has any sanctions taken against them may appeal this decision to The Company. The Company will investigate any such requests and will be the final decision maker in all cases.

Customer Move Requests

A customer may be moved from one sponsor to another sponsor within 10 days of enrollment only if an error was made during the initial enrollment process and incorrect information was entered. After the 10 days, if a customer has a complaint about their sponsor they need to submit the details of their complaint to compliance@promptings.com. If the customer desires to change sponsors, they must include the request and a reason for the request in the complaint. The complaint will be investigated and a final non-negotiable decision will be reached by Promptings.

Customer Referral Program

As a customer you are not a Gratitude Consultant of Promptings and may not sell and promote Promptings or any of its streams as a Gratitude Consultant would. Customers may recommend Promptings and its products and services to their friends and family. If anyone referred by a customer signs up to purchase Promptings products or services they will be placed under the customer as a referral. When a referral orders products and services the volume will add up in a way similar to the way a Gratitude Consultant receives volume. When the volume reaches at least \$240 in commissionable volume the customer will receive a credit in the amount of \$50.00. This credit may be used to purchase Promptings products and services. The customer will be awarded credit for each \$240 in commissionable volume accumulated. Volume not credited will not be carried over and will reset each month.

Referring Customers May Not Recruit

All referring customers must and shall safeguard and promote the good reputation of Promptings and its products. The referring customer will ensure that they keep Promptings its products and services consistent with the public interest, and must avoid all discourteous, deceptive, misleading, unethical or immoral conduct, claims or practices. Referring customers may not advertise or promote Promptings or attempt to recruit in any manner other than referring new business from personal experiences and contacts.

Referring Customers Upgrading to Gratitude Consultant

Referring customers may upgrade to Gratitude Consultant any time by filling out the Gratitude Consultant application and following the process of becoming a Gratitude Consultant. Any customers that were referred by the referring customer will become customers to the new Gratitude Consultant.
